Day 1: Thursday, November 13th – Online and in-person programme (in-person presentations will also be streamed online)

Time	Online			In-person
	Stream A	Stream B	Stream C	
12:00–13:00	_	_	_	Registration and coffee /drinks/pastries
13:00–14:00	**Keynote (Tracie Farrell)**			
14:00–14:30	From Text to Image and Sound: AI-Enhanced Inclusive and Personalised Learning in Language and Culture Classrooms Presenter(s): Sara Villa	Theorising authenticity and syntheticity in the age of AI: Implications for language learning and teaching Presenter(s): Andrew Frank Bradley, María del Mar Palomares Marín	Empowering Language Teachers through Critical AI Literacies: A proposal for responsible GenAI integration Presenter(s): Clare Horácková, Deirdre Dunlevy	AI-Augmented Language Learning: A Practical Framework for Communicative Health Presenter(s): Timothy Habick
14:30–15:00	_	Using ChatGPT to create personalized and gamified reading experiences for second language learners Presenter(s): Elizabeth Familiar da Silva	Learning languages in the era of AI - Exploring University Students' Learner Agency and Ethical Awareness Presenter(s): Outi Veivo	Complementing or replacing: promotional discourses of the integration of AI in the corporate language learning industry Presenter(s): Elisabeth Barakos
15:00–15:30	From ASR-based to Gen AI-assisted pronunciation lessons: Leveraging Voice-Activated Conversational Assistants in Pronunciation Teaching Presenter(s): Rosane Silverira, Walcir Cardoso, William Gottardi	Who Is Actually Reading? AI, Agency, and Literary Comprehension in the L2 Classroom Presenter(s): Sophia Strietholt	_	Corpus-informed pedagogy through AI-assisted coding and annotation: Supporting taught postgraduates in qualitative science writing with data dashboards Presenter(s): Charles Lam
15:30–16:00	The sound of Generative AI: Evaluating AI-Generated Speech for L2 Pronunciation Learning Presenter(s): Walcir Cardoso	AI-Augmented Feedback Tool for Language Learning Presenter(s): Sibel Crum	Artificial Intelligence and Power Shifts in Language Learning. Presenter(s): Andrea Wehrli, Juliana Salvadori	Shifting power in thesis supervision: Introducing ChatGPT as co-supervisor in academic writing in foreign languages Presenter(s): Elena Martín-Monje, María Dolores Castrillo

Time				
16:00–16:30	Illustrating Stories with AI: Using Leonardo AI to Enhance Narrative Writing in ESL/EFL Presenter(s): Mehmet Sahin	Research Integrity in Language Education Research: Free Software Alternatives to Commercial GenAI Services Presenter(s): Emma Caputo	_	Enhancing Oral Fluency (EFL) in Doctoral Students Through AI Powered Virtual Reality: An Empirical Study in Higher Education. Presenter(s): Nadia Azzouz, Mar Gutiérrez-Colón, Vanessa Serrano.
16:30–17:30	**Expert panel** **Carol Chapelle (chair), Ron Darvin, Britta Schneider**			
17:30–	_	_	_	Evening networking event/reception

Day 2: Friday, November 14th – Online and in-person programme (in-person presentations will also be streamed online)

Time	Online			In-person
	Stream A	Stream B	Stream C	
09:00–09:15	_	_	_	Coffee
09:15–10:00	**Keynote (Kate Borthwick)**			
10:00–10:30	It felt a bit cheesy": Learner Resistance and the Limits of Creative Agency in AI-Mediated Language Learning Presenter(s): Antonie Alm	Challenging the student use of GenAI-powered writing tools to preserve what is human in college academic writing Presenter(s): Yaoko Matsuoka, Hiroyuki Ida	Beyond the Red Pen: Re-shaping Revision through Generative-AI Support in EFL Writing Presenter(s): SzuYu Ruby Chen	Navigating language learning in the age of GenA.I. - Upper secondary learners' perspectives on future developments and the role of the teacher Presenter(s): Julia Renner, Paulina Wagner
10:30–11:00	Shifting linguistic power with LLMs: Supporting less-studied languages through multilingual AI Presenter(s): John Blake	A Comparative Analysis of Human and AI-Based Assessment in EFL Writing Presenter(s): Mikie Nishiyama	Exploring ChatGPT's Role in Supporting Teacher Feedback on Digital Multimodal Composing in L2 Classrooms Presenter(s): Hong Cheng	Reimagining authority and ethics: Theoretical foundations for responsible GenAI integration in TESOL Presenter(s): Mohamed Sitheeque Peer Mohamed

11:00–11:30	Lexical Echoes of AI: Investigating the Influence of ChatGPT on Academic Writing Style Presenter(s): John Blake	Augmenting Cultural Storytelling: How Generative AI Reshapes Oral and Digital Narrative Competences in EFL Cultural Classroom. Presenter(s): Rong Luo	GenAI as Pedagogical Mediator in ESP/EAP University Classrooms: Reconfiguring Engagement and Agency Presenter(s): Yu-chiao Chung	Rethinking Business English: Task-Based AI Assignments for Real-World Communication Presenter(s): Regina Brautlacht
11:30–12:00	Mapping L2 Writing Development with AI: A Longitudinal Cluster Analysis of Undergraduate Argumentative Essays Presenter(s): Lynn Ling Li	_	Teacher Perspectives on AI in English Language Teaching: A Mixed-Methods Study of Knowledge, Attitudes, and Practice in New Zealand ESOL Education Presenter(s): Daya N. Khalil, Anna Siyanova-Chanturia	Setting Assessments in the Age of Machine Translation Presenter(s): Jerome Devaux, Karina Von Lindeiner-Strasky
12:00–12:30	Speaking of Bias: Chatbot Judgments Across English Dialects Presenter(s): Zeynep Arslan	_	Rethinking Integrating AI-Assisted Marking in Language Education: A Case Study on Using ChatGPT for Marking in Chinese Language Assessment Presenter(s): Paul Finley, Yu Gu	Designing for Access: Integrating Generative AI in a Virtual Student Mobility Program for Inclusive International Learning Presenter(s): Sachiyo Sekiguchi
12:30–13:00	Designing for Change: Shifting Power in Language Learning Through Empathy, Justice and Co-Creation Presenter(s): Ana Sevilla-Pavon	Engagement strategies in human-written and AI-generated academic essays: A corpus-based study Presenter(s): Sharif Alghazo	_	Student Perceptions and Practices in AI-Supported ESP Learning: A Research Study on Image Creation in Higher Education Presenter(s): Panayiota Hadjiconstantinou
13:00–13:30	**Lunch/Buffet**			
13:30–14:10	GenAI considerations in publishing and reviewing **(40-minute facilitated discussion)** Presenter(s): Müge Satar, Marina Orsini-Jones, Carolin Fuchs	_	_	_

13:30–14:00	_	The use of generative artificial intelligence in learning and teaching foreign languages- Opportunities and challenges Presenter(s): Mariana Gotseva	AI for Empathy: Mediated Language Education with Text Generation Tools Presenter(s): Regina Kaplan-Rakowski, Werona Król-Gierat	Transforming Higher Education Language Learning: Ethical and Systematic Integration of Gemini in the Language Learning Process Presenter(s): Elis Kakoulli Constantinou, Georgia Constantinou
14:00–14:30	_	Bridging the Feedback Divide: Comparing AI to Human Feedback on University Students' Reflective Journals for Enhancing Reflective Writing Presenter(s): Abdelhamid M. Ahmed, Lameya Mahmoud Rezk	FAIR ISLE: An AI-Driven Approach to Gender-sensitive Language Learning Presenter(s): Francesca Filograsso	Using ChatGPT in drama activities in EFL classes Presenter(s): Fidel Cakmak
14:30–15:00	Challenges and Opportunities of GenAI on a Pre-sessional English programme Presenter(s): Adam Donnelly	AI and Grammar Pedagogy: Exploring Preservice Language Teachers' Agency and Identity in AI-Mediated Lesson Planning Presenter(s): Zeynep Kocoglu	_	Using screen recordings to assess how students use GenAI tools in the foreign language writing process: insights for language teachers Presenter(s): Sara Cotelli Kureth, Elana Summers
15:00–15:30	From intelligence to imagination: A Thinking Disposition Framework for language education in the age of AI Presenter(s): Carrie Xiaorong Zhang	_	_	What language we study when we study language in the age of GenAI Presenter(s): Cecilia Domingo
15:30–16:00	Shifting Power to Learners: Exploring Generative AI in Independent Language Learning Presenter(s): Ana Nino Alonso	Beyond the Classroom: Exploring an AI-Powered Tool to Support Language Learners Presenter(s): Christina Cavage, Tricia Thrasher	_	Pre-Service Teacher Agency in Generative AI-Assisted CALL Material Design Presenter(s): Michael Barcomb
16:00–17:00	**Keynote (Clare Wright)**			
17:00–17:15	**Closing of the conference**
